REMINDERS

- **Regular attendance is extremely important in all classes in the upcoming months as teachers are working with students to prepare for our 43rd annual recital. Students who are going to be late or absent should always call the office.**
- In these winter months, all parents should come inside to pick up students and not have them walk out to the parking lot alone.
- All tuition is due and payable **PRIOR** to the first of each month. Tuition is always increased by \$25.00 **ON THE FIFTH** day of the month. If your autopay is declined, you have until the FIFTH of the month to pay with no penalty. Students are enrolled through June. Two weeks' written notice is required for dropping any classes and tuition is due through that two weeks.
- All students should have proper shoes for all classes, and be dressed properly.
- Please notify the office if you have had any change in phone numbers or address since registration. Thanks.
